

# HOUSE WITHOUT WALLS

*...Raising the foundations of many generations - Isaiah 58:12*

## INTRO

*Founder Chika Vincent*

God is not super mysterious, it is possible to know Him and understand His language. John 18:36-38. Jesus said that he came to bear witness to the Truth and that anyone is of the Truth hears His voice. So the question to us here is, 'Are we in the Truth?'. If we are, then it is very possible to hear His voice concerning any matter that relates to us. Seek the Truth, not relative truth, or truth as defined by societal norm, but the Truth in God's word.

This is the first newsletter edition from House Without Walls, to thank those who supported the mission trip to Romania. Here is the fruit produced through prayers and support provided in various ways.

# MISSION TRIP - ROMANIA 2021

*"We had a short but great time with the team led by Chika. They led us in worship and encouraged us through teaching and prophetic, and confirmed our vision, even the name of the new ministry we plan to start: 'The Oasis'. Was good to share the Gospel with some poor families, in Craiova and in a village. We are looking forward to our time together for next year!"*

A feeling of expectation that God was indeed going to move through us, was what my husband and I felt in our hearts and minds boarding the plane from England to Romania.

House Without Walls helped plan a seamless trip from helping with which flights and airlines to book, arranging airport pick-up, accommodation in the three cities we stayed, travel throughout Romania, and meals we ate. We came with three of our children and had absolutely no hiccups. Each accommodation was safe, welcoming, and accommodating.

It was amazing to partner with various Romania based organisations to minister alongside them, Youth for Christ Romania, a Pentecostal church in Nicola and Youth With A Mission. We shared our testimonies of coming to Christ, and other words of encouragements from the Lord to the children, youth, and adults, while also involving our children in skits.

The trip was truly a blessing, and we recommend more families to partake in the work of God in Romania. We will be back!

Stefan and family, Youth for Christ Romania.

Stefan and Emilia work in different villages close to Brasov (Augustin, Ormeniș) and many other places from România among the Roma community and have three children: Matei, Seth and Abigail. They are called by God to work with kids and teens at risk in a poor area where kids are inadequately loved and educated. Their personal testimony and encounter with God helped them understand the pain that some of these teens go through, which is why they are committed to do whatever it takes to share the Gospel to these kids and youth.

## OUR IMPACT

We were in Romania visiting 3 cities and 4 villages. We were privileged to work with YWAM team in Craiova to do street outreach. We gave out food items (see above). With the help of partner and friends that donated clothing items and finance, we gave out 220kg of clothing items to people in Rupea village. We also ministered alongside Youth for Christ Romania.

Through **teaching** the simplicity of the **gospel**, all will come to the **knowledge** of

- what they are **saved from**
- what they are **saved into**
- what they are **saved for.**
